Dear Judge Wexstten:

Thank you for registering with the National Center for State Courts Resource Clearinghouse for Courts Affected by Hurricane Katrina. Hurricane Katrina caused a level of destruction that is unprecedented both in its severity and in its geographical scope, but the legacy of the storm has been increased cooperation among courts across the country. The National Center for State Courts is grateful for your offer of assistance, and your generosity will be appreciated by the court personnel rebuilding in the aftermath of Hurricane Katrina.

We have notified the judicial system leadership in the affected states of your offer of assistance. As they determine their needs, they will make direct contact with those who have registered.

Again, thank you for your interest and support.

Sincerely,

A handwritten signature in cursive script that reads 'Bob Baldwin'.
