

Judges... the IJA needs your help !

Please take the time to give us copies of *presentations* that have *worked* for you !

As you might be aware, the IJA and the ISBA are presenting a program at our Midyear Meeting on December 9th entitled, ***Delivering the message: How to make sure the public "gets it"***. (See attached flyer).

We are compiling a CD with information to assist judges in making presentations at schools, before civic and service groups and the like.

We are looking for non-copyrighted materials and ideas to be included on this CD. Copies of the CD will be made available to those attending the Friday morning Midyear program and to our membership at no charge.

If you have information that you would be willing to include, please send it to Maureen McClelland at info@ija.org (preferably as a Word document) or 321 South Plymouth Court, Chicago, Illinois 60604 by October 28th. We can copy or scan documents or articles into a pdf file, so clean legible copies are needed.

Thank you in advance.

**Mark Schuering and Judy Brawka,
IJA Speakers Bureau Program Coordinators**
