

# Back to School, Back to the Books

## I. J. A.'S Third Annual Book Drive

Thanks to the generosity and enthusiasm of our members, last year we were able to supply the students of Zapata Academy with new books for the school library. The students and teachers of Zapata Academy can't thank the I. J. A. enough.

As summer comes to an end and a new school year begins, it's time to start hitting the books again. So pass on those summer novels you finished reading, or add a novel to your school supply list. Another easy way to contribute to the book drive is to make a monetary contribution by sending a check to the I. J. A. Book Drive.

This year we're collecting books for the students of Spry Elementary School and Spry High School. Our goal is to give each student a book for their reading enjoyment. We accept new and tenderly used books for children from grades K-12.

Send your books to: Judge Jesse Reyes,
